March 31, 2017

Dear Valued Partner:

I would like to take this opportunity to thank you for working closely with us.

On April 1, 2017, **Sumika Electronic Materials, Inc.** will officially change our name to **Sumitomo Chemical Advanced Technologies LLC**. This is being done to better align with our parent company, Sumitomo Chemical Company, Ltd., and to more accurately represent the diverse business units within our company.

We are retaining our original EIN, and to facilitate a smooth transition, we will also use a DBA (doing business as) of Sumika Electronic Materials. This means that either name can be used on paperwork, etc. when doing business with us.

We expect that this will not cause any issues as we are still the same company with the same people, products, and dedication to service to you our partner. Your contact person will be happy to answer any questions that you may have. If they are not immediately available, please call our main customer service line at (602) 659-2590.

Thank you again,

Kevin Beck
President/CEO

A Subsidiary of

SUMITOMO CHEMICAL Co., Ltd.
